

Notes

Drawings are based on survey data and may not accurately represent what is physically present.

Do not scale from this drawing. All dimensions are to be checked on site and any discrepancies noted in writing to the Employer's Representative. All dimensions are in millimetres unless noted otherwise.

Where there appears to be ambiguity between the drawings and other information, the Contractor shall seek the advice of the Employer's Representative for clarification.

Refer to drawing KX8-CAG-0000 for general notes and abbreviations. For detail of Architectural Specification codes (shown on drawings as 'LIN-01', for example) refer to the Technical Reference Sheet.

Drawings to be read in conjunction with the Architectural Specification and other relevant information, including the schedules and Engineer's documents. For individual repair locations, details and scope, refer to the Repair Schedule and Architectural Specification as applicable.

Half tone line work shows scope by others. Refer to detail drawings for further scope definition.
