Please find attached copies of the amended drawings.

These show:

1. Coloured in purple the areas/rooms to be used for SEE activities
2. The proposed uses, for information purposes, of the other rooms within the basement and ground floor
3. The kitchens, restaurants, catering, servery and café area shaded with a light grey hatching, again for information/delineation purposes.

Both plans are Revision B, as discussed.

I trust that these provide the relevant confirmations that you were after. If not then please let me know as soon as possible as I am aware that your legal colleagues are pushing for the DoV to be engrossed by Tuesday if possible.

Kind regards

Paul
