

1 Roof rafter Layout
1 : 100

4 Glulam Truss 4
1 : 50

Note:- All dimensions to be checked on site, levels vary along heritage wall and will need to be confirmed on site before fabricating any glulams. For any connection details with wind posts to heritage wall refer to AKS Ward drawings. All wind posts / structure to be set out from heritage wall and not grid lines. Each glulam / wind post location is to be individually surveyed by subcontractor. Glulam and wind posts connections all to be constructed as BAM Design series of details.
