Dear Barrington

**UNISON HQ - Ref: Application 2007/1617/P - Conditions 5 and 6**  
**Elizabeth Garrett Anderson Hospital, 126-144 Euston Road, London NW1 2AP**

Further to our telephone conversation, please find enclosed 3 no sets of revised drawings for the discharge of conditions 5 and 6 following discussions and agreement of pavement levels with LB Camden Highways department, (PDF CD copy also enclosed).

These drawings reflect the design development of the scheme from the planning consented scheme presented to LBC Highways officers at a number of meetings. (copy of minutes issued to D Jenkins LBC on the 27 November 2009 attached for reference).

I believe that this now provides all the information required to discharge these conditions and look forward to receiving your written confirmation of this in due course.

If you have any queries or require additional information or drawings to aid in the discharge of this condition, please do not hesitate to contact me.

Yours sincerely

  
Michael Poots
