

A black and white photograph of a two-story brick house. The house features a gabled roof with a white-painted gable end. There are several chimneys visible on the roofline. The windows are white-framed, with some having multiple panes. A small, light-colored plaque is visible on the brick wall above one of the ground-floor windows. The house is situated on a street, with a sidewalk and a road in the foreground. A portion of a car is visible on the left side of the frame.
