**Submitted Via the Planning Portal**

Dear Sir or Madam,

**Application for Planning Permission**

**Joint Proposal By Telefónica O2 UK Limited and Vodafone Limited To Install  
Telecommunications Equipment On The Roof Of 39 Whitfield Street, Fitzrovia, London W1T  
2SF (NGR: 539485,181785)**

Please find enclosed an application for planning permission for the installation of 2No. antennas concealed within a 2.5m tall glass reinforced plastic (GRP) 'chimney stack' on top of the existing roof access stairwell (painted to match the existing render), 1No. replica flagpole with integrated antennas located towards the front of the building, along with 3No. equipment cabinets located within a timber screen enclosure adjacent the water tank housing (finished to match existing) and ancillary development thereto on the roof of the above site.

Please find attached the following:

- Application forms and certificates;
- Copy of planning notice issued to the site owner;
- Location plan, reference: 101 with the site outlined in red;
- Supplemental drawings 102 Rev. A, 103 Rev. A & 104.
- Supplementary Information ;
- ICNIRP Certificate;
- Health and Safety Information;
- Telefónica O2 UK Limited coverage plots; &
- Vodafone Limited coverage plots.

The requisite fee of £335 has been forwarded under separate cover.

The application is accompanied by a Design & Access Statement.

Should you have any queries regarding the proposed development or wish to discuss this submission in more detail, please do not hesitate to contact the undersigned.

Yours sincerely,

**PP Ryan Ward**  
**Waldon telecom Limited**  
**On behalf of Telefónica O2 UK Limited**
