Dear Sir/Madam

Application to cut back trees at 2 Eton College Road, London NW3 2BS

I would like to once again apply for permission to cut back the Ash tree and the Horse Chestnut tree to their previous reduction points in the garden of my house, 2 Eton College Road. Your records will show that I am required to do this for insurance purposes to minimise the possibility of damage by subsidence to my house and neighbouring properties.

If possible, I would appreciate an early reply to this letter so I can get it done quickly before the leaves come back on the trees.

Please reply to the address at the top of the page as 2 Eton College Road is currently let and has tenants living there.

Yours faithfully

Barbara Blatch

Barbara Blatch (Mrs)
