Bathroom
6.5sqm

This architectural floor plan shows a two-story building. The ground floor (bottom) features a central corridor with a staircase at the top. To the left of the corridor is a large room with a fireplace on the left wall and a built-in unit on the right. To the right of the corridor is a kitchen with a sink, stove, and refrigerator, and a bathroom with a toilet and bathtub. The upper floor (top) consists of several bedrooms and a large living area. The plan includes numerous windows, doors, and built-in furniture like bookshelves and a fireplace. A north arrow is located in the upper right corner.
