Proposed Work:

The Council has considered your notification of intended works to trees dated 08 June 2009 and does not wish to object.

Informative(s):

- 1 This notice is valid for 2 years from the date of this letter or until the work is completed, which ever is the sooner.
- 2 You are advised that the appropriate standards for tree work are set out in BS5837:2005. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.

- 3 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests, whilst being built or in use. For further information contact Natural England on 0300 060 2634.

Yours faithfully
