The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

**Condition(s) and Reason(s):**

- 1 The development hereby permitted must be begun not later than the end of three

years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies S1/ S2 and B1 [and B7 if in a CA] of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 3 The use of the first floor windows and external door and external door frames shall not commence until the privacy screening, as shown on the approved drawings, has been constructed. The screens shall be permanently maintained thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policies S1/S2 and SD6 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 4 The cycle storage facilities (for 2 bicycles) as shown on drawing no. PP.01 Rev 02 shall be provided in their entirety prior to the first occupation of any of the new units, and permanently maintained and retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T3 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 5 Before the development commences, details of the proposed design and method of waste storage and removal (including recycled materials) shall be submitted to and approved by the Council and the approved facility shall therefore be provided prior to the first occupation of any of the new units and permanently maintained and retained thereafter.

Reason: To safeguard the amenities of the premises and the area generally in accordance with the requirements of policies SD6, SD7B and SD8 of the London Borough of Camden Replacement Unitary Development Plan 2006.

#### Informative(s):

- 1 Reasons for granting permission.

The proposed development is in general accordance with the policy requirements of the London Borough of Camden Replacement Unitary Development Plan 2006, with particular regard to policies S1, S2, SD6, SD9, H1, H7, H8, T3, T8 and T9. For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Environmental Health Service, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 2090 or by email [env.health@camden.gov.uk](mailto:env.health@camden.gov.uk) or on the website [www.camden.gov.uk/pollution](http://www.camden.gov.uk/pollution)) or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel: 020 7974 2363).
- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Sites Team, Urban Design and Regeneration.
- 5 You are advised that policy H7 of the Replacement Unitary Development Plan 2006 encourages all new housing developments to be accessible to all and meet "Lifetime Homes" standards and new social work roles and measures that can be introduced to facilitate this. You are advised to consult the Access Officer, Camden Town Hall, Argyle Street, WC1H 8EQ, (Tel: 020 7974 2090) to ensure that the internal layout of the building is acceptable with regards to accessibility by future occupiers and their changing needs over time.
- 6 You are reminded that any works which you are currently carrying out under permitted development rights would need to be substantially completed prior to you beginning work on the approved development. The works hereby approved are all granted in association with the conversion of the property to flats. Once work commences on the approved conversion the property would no longer benefit from permitted development rights.

Yours faithfully
