DECISION

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies B1 and B7 of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 3 The details of the measures to meet the 'Lifetime Homes' standards to be used on the new units shall not be otherwise than as those submitted to and approved by the Council before any work is commenced on the relevant part of the development. The relevant part of the development shall not be otherwise than in accordance with the details thus approved.

Reason: To safeguard the accessibility of the premises for future occupiers and their changing needs over time in accordance with the requirements of policy H7 [Lifetime Homes] of the London Borough of Camden Replacement Unitary Development Plan 2006.

Informative(s):

- 1 Reasons for granting permission:
The proposed development complies with the policy requirements of the London Borough of Camden Replacement Unitary Development Plan 2006, with particular regard to policies D1 (Car-free housing), H6 (Accessibility for occupiers and neighbours), B1 (General design principles), B5 (Alterations and extensions), B7 (Conservation Areas), T8 (Car-free housing). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.
- 2 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning

Obligations Officer, Sites Team, Urban Design and Renewal, Camden Town Hall,
Argyle Street, WC1H 8EQ

- 5 With regards to condition 3, the applicant is advised that policy H7 of the Replacement Unitary Development Plan 2006 encourages all new housing developments to be accessible to all and meet "Lifetime Homes" standards, and the Council welcomes any measures that can be introduced to facilitate this. You are advised to consult the Access Officer, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2310) to ensure that the internal layout of the building is acceptable with regards to accessibility by future occupiers and their changing needs over time.

Yours faithfully
