Subject: Notice of Tree Works

Tom,

Further to my telephone call last week, I attach details of the proposed tree works as follows:-

Address - 14 Frognal Way London NW3 6XE

Location of trees - Rear garden, close to boundary with University College School, approximately 40 metres from Frognal Way.

Proposed works (see attached illustration) -

1 - Fell 1 no. Leylandii to ground level and remove stump.

Purpose - to improve view, admit light to nearby fruit trees and allow adjacent bay tree to develop.

2 - Reduce 1 no. Leylandii by 2 to 3 metres.

Purpose - to improve view and admit light to nearby fruit trees.

Message

3 - Reduce 1 no. Bay by 2 to 3 metres.

Purpose - to improve view and reduce interference with large sycamore nearby.

We would be grateful if you could let us know as soon as possible whether the council raises any objection to these works, as we would like to carry them out during week commencing 4 January before the school term starts the following week.

Regards

Douglas Maxwell
