

Design & Access Statement
for
proposed works to:

*KFC Restaurant
71 Tottenham Court Road
London
W1P 9PA*

Overview:

The proposal is to refurbish this trading restaurant internally and the front elevations externally.

Design Statement:

The design is prompted by the refurbishment proposals for this existing trading restaurant. It is proposed to repaint the existing shop front framing and install a new main entrance door, in a contrasting colour sized to suit the requirements of part M of the Building Regulations for wheelchair access.

Access:

The existing main entrance door is to be replaced with a new single, powered opening door sized to suit the requirements of part M of the Building Regulations for wheelchair access. Contrasting colours will be employed, as required.
