Dear Sir/Madam

Re : 29 Goldhurst Terrace, London NW6 3HB

I am writing to you on behalf of the owner of the above property to apply for change of use from two flats to one single family home.

The owner-occupier is at present living in the two flats in to which the property was divided some years ago. The original lay out of the house was of course for one single dwelling so the applicant only seeks to revert the property back to its original state.

I attach Drawing Nos.: S01, showing the location of the property, EX01 and EX02 showing the floor plans of the property in its present state. I have highlighted the one and only door that would need to be removed in order to bring the property back to its original state.

I am attaching this letter to an online planning application.

I trust that the proposed change of use will meet with your approval and I look forward to receiving *planning permission in due course*. Should you require any further information please do not hesitate in contacting me on the telephones above.

Yours faithfully,

Jorge F. de Aguirre
