- 1 Reasons for granting permission

The proposed development is in general accordance with the policy requirements of the London Borough of Camden Replacement Unitary Development Plan 2006, with particular regard to policies SD1 (quality of life), SD2 (planning obligations), SD6 (amenity of occupiers and neighbours), H1 (new housing), H7 (lifetime homes and wheelchair housing), H8 (mix of units), B1 (general design principles), B3 (alterations and extensions), B7 (conservation areas), E2 (retention of existing business uses), T3 (pedestrian and cycling), and T8(car free housing and car capped housing). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers' report.

- 2 Your proposals are also subject to the current fire safety regulations and/or the London Building Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. - 3 You are advised that policy H7 of the Replacement Unitary Development Plan 2006 encourages all new housing developments to be accessible to all and meet "Lifetime Homes" standards, and the Council welcomes any measures that can be introduced to facilitate this. You are advised to consult the Access Officer, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2310) to ensure that the internal layout of the building is acceptable with regards to accessibility by future occupiers and their changing needs over time.
- 4 You are advised that the Council expects all development to be as sustainable and energy efficient as possible and welcomes any measures that can be introduced to facilitate this. To this end, you are encouraged to introduce measures that can practically be incorporated into the refurbishment of the building/design of the new building/other and the subsequent operation of the use.
- 5 You are reminded of the need to provide adequate space for storage for waste and

recyclables. You are advised to provide 40 lt recycling crate to be collected from door step and make arrangements for on-street bag collection to be done from front of the building.
