

## TENANT SIGNAGE TOTEMS

### Objective

To provide two tenant signage totems at either end of the avenue listing all restaurants, cafes and services available in the avenue in place of tenants individual A – boards which currently clutter the pavements.

## Proposal

The installation of two 1500 x 600 x 100mm signage totems , consisting of white granite base -- to match proposed new paving scheme, glazed, back lit signage element with stainless steel frame.
