

Notes

Drawings are based on survey data and may not accurately represent what is physically present.

Do not scale from this drawing. All dimensions are to be checked on site and any discrepancies noted in writing to the Employer's Representative.

All dimensions are in millimetres unless noted otherwise.

Drawings to be read in conjunction with the Architectural Specification and Mechanical, Electrical, Public Health and Structural Engineer's Information.

Where there appears to be ambiguity between the drawings and other information, the Contractor shall seek the advice of the Employer's Representative for clarification.
