Site Description

Grade II listed terrace house dating from c 1845, in the Kentish Town conservation area.

Relevant History

Various, none relevant to this application.

Relevant policies

UDP 2006 – B6, listed buildings.

Assessment

Listed building consent is sought for the installation of planter boxes on the side boundary wall of the property, which faces onto Leverton Place. There are two long, shallow timber boxes in place currently; it is proposed to replace these with five ceramic containers which will measure 360mm high and 520mm in length. These will be affixed to the wall using screw fixings.

The size, position and design of the proposed boxes are not considered to detract from the special interest of the building, are considered to comply with B7, and are therefore recommended for approval.
