Subject: Tree work application - Elsworthy Ct
Attachments: Tree work application - Elsworthy Ct0002.pdf

This application was originally sent through on 14/9/09. Through some recent enquiries I have discovered that the application was classified invalid. I have resent the application as I am unsure as to why the application is invalid.

If there is a specific reason for the invalidity can you please email me back.

Many thanks

Jenny – Custom Cutters
