RECEIVED 28 OCT 2009

Dear Sir/Madam,

Further to your e-mail of 1st October 2009 (below), I would like to withdraw condition 51 from consideration as part of this application. This will allow the Council to determine the information submitted in respect of conditions 19, 20, 23 and 35 without delay.

Further detail in respect of condition 51 will be submitted when information becomes available regarding the final destination of the plaques, brick piers and railings. At the time of determination of the Alexandra House application, the applicant confirmed that they would retain the Heritage items and there is every intention of undertaking this commitment. Given that the application was approved in outline and that the site is now subject to detailed design considerations, it is premature to give an exact indication of how the Heritage items will be used.

I trust that this is acceptable and I look forward to receiving confirmation that determination of the other four planning conditions can now be taken forward.

Kind regards,

Jonathan
