# Introducing Calder UK Ltd

CALDER UK Ltd

Calder UK is part of the successful Calder Holdings Group based in the Netherlands who specialise in the delivering of government funded contracts covering a range of disciplines, including Welfare to Work. They have recently entered the UK Market through securing a long term contract to deliver the DWP's Flexible New Deal Programme (fND) in central London.

CALDER UK LTD

With its origins within education and logistics, Calder's approach is unique in the market and is based on our motto, From Inactive to Active. Using Cognitive methods, Calder assists customers to overcome problems and barriers through changing attitudes, simultaneously facilitating their employment search. This approach aims at adjusting actions and thoughts, replacing old, ineffective thinking and behaviour with new, effective ones. Our unique vision and methods have been tried and tested in the Netherlands and we're excited to be bringing these to the UK welfare to work arena from October 2009.

CALDER UK LTD.

Introduction to Calder UK

Head of Employer Engagement

Account Manager

In 2008 Calder Holding entered the UK market, buying Talent Recruitment Ltd. In May 2009 Calder UK has been selected by DWP as prime contractor to help unemployed people find work in the London region (Central London, Lambeth, Southwark and Wandsworth) in the Flexible New Deal programme. This is a 5-year contract and involves 30,000 customers a year.

With its origins within education and logistics, Calder's approach is unique in the market and is based on our motto, *From Inactive to Active*. Using Cognitive methods, Calder assists customers to overcome problems and barriers through changing attitudes, simultaneously facilitating their employment search. This approach aims at adjusting actions and thoughts, replacing old, ineffective thinking and behaviour with new, effective ones. Our unique vision and methods have been tried and tested in the Netherlands and we're excited to be bringing these to the UK welfare to work arena from October 2009.

Calder Holding heads up a group of companies active in The Netherlands. Founded in 1985, the group now consists of 8 companies which employ over 800 people and have a turnover of € 50 million.

#### Reintegration

One of the main activities (60%) of the holding is reintegration. Alexander Calder and two other smaller companies provide this service. The main objective of Alexander Calder is to reintegrate unemployed customers with various backgrounds into the labour market.

#### Personal Testing

The second main activity is personal testing. This is done by AOB Compaz and involves more than 18,000 clients. Testing is done by means of educational programmes, disability assessment, immigration tests and competencies of both the employed and the unemployed.
