NOTIFICATION OF PROPOSED TREE WORK IN A CONSERVATION AREA

PROPOSED TREE WORK AT 15 Torriano Cottages, NW5 2TA

The trees concerned are located in the front garden of the property

There is a Weeping Willow, which I am proposing to re-pollard. This is usually done every 2 years. I am also proposing to remove the branches that overhang the house, and to remove one small branch from the limb on the south side of the tree.

There is a Eucalyptus that is also pruned every 2 years. I propose to re-reduce this tree back to its previous reduction points

As the property is located in a conservation area, I am requesting permission to undertake the proposed work.

The trees can easily be viewed from Torriano Cottages

I look forward to your reply,

Yours sincerely,

Gareth Wellburn

Public liability insured

Qualified (ND Arb RFS Cert Arb)

Tree work carried out in accordance with BS 3998

Burnwell trees provide quality tree care, enabling appreciation of the trees around us
