Health & Safety Policy Statement of Intent

It is the firm policy of Skyline Roofing Kingston (herein after referred to as the Company) to take all reasonable steps to ensure the safety, health and welfare at work of all its employees and any others who may be affected by its undertaking, in accordance with current legislation.

The Company will provide such information, instruction and training as is necessary to ensure that all its employees are aware of their own duties and responsibilities under relevant legislation and to ensure implementation of this policy.

Risks assessments will be undertaken / reviewed on a regular basis to ensure the identification of all significant hazards and corrective action required to reduce the risk to an acceptable level.

Sufficient resources will be provided to meet the requirements of Health and Safety legislation.

Our general intentions are:

• To provide adequate control of the health and safety risks to employees and others arising from our work activities;
• To consult with our employees on matters affecting their health & safety;
• To provide and maintain safe premises, plant and work equipment;
• To ensure safe handling and use of substances;
• To provide adequate information, instruction, training and / or supervision for employees;
• To maintain safe and healthy working conditions; and
• To review and revise this policy at regular intervals
