NB: Highways shown are without CRT

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All dimensions shall be verified on site before proceeding with works. All levels are nominal: detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. All levels are in metres. This drawing is for design intent only. This drawing is to be read in conjunction with other documentation from the architect, design team, main contractor and employer's agent. The architect must be notified of any discrepancies.
