TREE WORK APPLICATION
Access: C Bourdillon - 7485 6839
Re: 13 Grove Terrace, London, NW5 1PH

<u>SPECIES</u>	<u>WORK PROPOSED</u>
<u>Rear</u>	
1 Ash (<i>Fraxinus excelsior</i>)	Large veteran tree. It is now going into decline. Rather than taking the tree out, suggest: reduce back to original pollard points.
<u>Rear</u>	
2 Holm Oak remove (Evergreen) (<i>Quercus ilex</i>)	To remove the likelihood of limb failure. Suggest: the tree x1 limb with a hazard beam split on two sides. Limb is <u>over hanging garage</u> .

Please quote our reference number on all correspondence.

Yours sincerely
