FAO The Chief Planning Officer

Dear Sir

Re: Ground Floor Flat, 27 Mackeson Road, London NW3

I am an architect acting on behalf of my client on a Submission for Planning Approval. The scheme, as shown on the original and 3 copies of enclosed Drawings 01 and 02 is a proposal for:

An extension to the side of the Flat with a brick party wall and a double-glazed roof.

In addition, enclosed is a completed Application Form for Planning Approval and a cheque for the plan charge of £150.

I trust the above and enclosed information sufficiently explain the proposal and I look forward to hearing from you in due time.

Yours faithfully
