Dear Sir or Madam

6 Village Close
Belize Lane

Further to my second phone conversation
and my letter one month ago, I have been
asked to merely remove the new epicormic
growth from the Horse Chestnut at the front
of 6 Village Close, Belize Lane. NW3. You
undertook more extensive work to the tree
some years ago which was carried out
successfully. All that seems appropriate
now is the trunk regrowth. You promised to

Acknowledge this way in order at the occasion
I phoned on the 30th July. Could you please do
so ~~me~~ now? A phone call will suffice as
far as I am concerned.

Yours faithfully

Anthony Hyden
