

Architectural elevation drawing of Willow Cottage, showing the First Floor level, Ground Floor level, and Basement level. The drawing includes a garden level and an exterior level. The building features a central entrance with a pediment and a large arched window, flanked by smaller arched windows. The roof is indicated by a dashed line.

Architectural elevation drawing of Willow Cottage's exterior, showing the First Floor level, Ground Floor level, and Basement Floor level. The drawing includes a roof layout, a central entrance, and various windows.

**Roof Level:** Indicative roof layout.

**First Floor level:** Features a central entrance with a pediment and a small window above it. The entrance is flanked by two large arched windows. A central label reads "WILLOW COTTAGE'S".

**Ground Floor level:** Features a central entrance with a pediment and a small window above it. The entrance is flanked by two large arched windows.

**Basement Floor level:** Features a central entrance with a pediment and a small window above it. The entrance is flanked by two large arched windows. A label "store room" is visible on the left side.

**Exterior level:** The base of the building.

Exterior level

Architectural cross-section drawing of a building. The drawing shows the roof structure with a chimney, the first floor (labeled "First Floor not surveyed"), the ground floor (labeled "Ground Floor level"), and the basement floor (labeled "Basement Floor level"). The ground floor features a staircase, a door, a shower, and a WC. The basement floor has three arched openings labeled "open". The front of the building is indicated by a dashed line labeled "FRONT" and the rear by a dashed line labeled "REAR".
