Attention Aysegul Olcar-Chamberlin

Dear Mrs Chamberlin,

Revised proposals (2009/3112/P)

I hereby withdraw the proposed first floor side extension. The description of development is now:

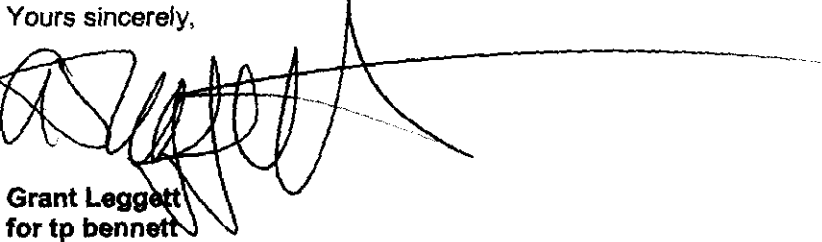

"Retention of the upper ground floor rear external storage cupboard to the existing dwelling house."

I enclose 3 x copies of drawings revised accordingly. I trust this meets your satisfaction and you will approve the rear closet extension today.

The existing lower ground floor extension and terrace do not and at no time have formed part of the application.

Please call me on 0207 902 5105 should you have any questions regarding the application.

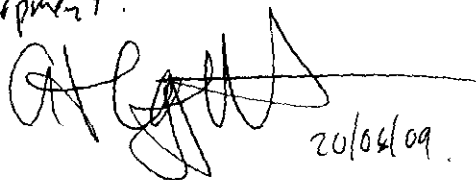

Yours sincerely,

Grant Leggett
for tp bennett

Encl. Revised drawings

The fencing and timber structure on the 2nd floor terrace are not permanent structures and can be readily removed. In this regard they do not constitute development.
