

NOTES

1. Do not scale off these drawings. Dimensions govern.
2. All dimensions are given in millimetres (mm) unless otherwise noted.
3. All dimensions shall be verified on site before proceeding with the work.
4. All dimensions relevant to the setting out of site work shall be verified by the contractor before construction and fabrication commences.
5. Workmanship and materials to be accordance with the relevant current British Standard Codes of Practice and the Local Authorities requirements.
6. During construction the contractor shall be responsible for maintaining the structure in a stable condition.
7. These drawings are to be read in conjunction with all other contract documentation and other consultants documentation.
8. If in doubt, ask!
