Site Description

Hospital. 1883-5. By MP Manning and J Simpson. Red Suffolk brick with Doulton's terracotta cornices and string courses; tiled roof. Grade II listed in Bloomsbury CA.

Relevant History

Listed in 1997.

Listed building consent 2008/4081/L granted in 2008 for internal alterations to part of the first floor of the Albany Wing, located on the western elevation of the building.

Relevant policies

B6 Listed Buildings

Assessment

The proposal is to remove a wall between two rooms to create a larger waiting area. Down stand and nibs will be retained.

Internally the building's architectural significance is concentrated to the grand stair and landings which have a classical treatment and mosaic floors. Other rooms and wards are more utilitarian and have seen alteration over time. However some fireplaces and quality details remain.

The wall to be removed is in an area of lower significance and its removal does not harm the special interest of the building. The removal of a comparable wall on the first floor was granted consent in 2008 (2008/4081/L). The proposal is therefore considered acceptable.

I recommend listed building consent be granted.
