Dear Sirs

1 Southampton Row [125 High Holborn], London  
Planning Consent Reference 2005/1082/P

We recently corresponded with Ms Louise Drum regarding various options for the proposed guarding detail to the terraces of the development 1 Southampton Place.

Our proposal for a glazed guarding system 1200mm above the level of the terrace was agreed following the submission of drawings and CGIs by email. Copies of Ms Drum's final response and the referenced attachments are also enclosed for reference.

In order to formalise the agreement given by Ms Drum we are submitting copies of our drawings as identified in the attached schedule and would ask that a confirmation of the Authority's agreement be given.

Please contact the undersigned if any further clarification is required.

Yours faithfully,

Barry Kendell
