

**KEY:**

1100 litre Euro bins

**NOTES:**

The Woodchurch Road cycle store uses Josta two-tier stands at 450mm centres and allowing for 1700mm aisle, with 2700mm overhead clearance as per manufacturers recommendations.

Both the northern residents cycle store next to Block D and the visitors cycle store and at the north of the site, between the refuse store and parking area, use Sheffield bike stands located 1m apart.

Dropped curb to be added close to Woodchurch Road refuse store. Location to be agreed with Camden Highways department.

The refuse store to the western end of block A is a recycling bin serving the Block A maisonnettes.
