

London Borough of Camden General Enquiry - Ref. 5291849

Enquiry details*Name**My enquiry is*

David Hulse

Hello,

We have a large holly tree in the garden to the rear of the property, which is now overshadowing a large area of the garden and lawn, and crowding an adjacent plum tree. We would like to remove the holly completely. Are there regulations governing the removal of such a tree from a private garden?

Many thanks.

David Hulse.
