To Whom It May Concern

Re 155 York Way London N7

The enclosed Planning Application is for a 'change of use' only and on the advice of your Planning Officer, Elizabeth Beaumont, I have not included the following;

- design and access statement
- sustainability checklist
- planning obligations statement
- renewable energy proposals.

The elevations of the building will also remain unchanged from the previous Planning Consent.

I trust that the application is in order and look forward to your validation thereof.

Yours faithfully

R. Cardy
