Rev	Date	Description
A	15-07-2007	Works areas highlighted.
B	23-01-2008	Upper Ground level facade revised in accordance with new reception layout. Canopy and signage moved also moved accordingly. Works areas highlighting removed.
C	28-04-2008	New Facade infill to colonnade and new entrance doors removed. Grid Lines reversed and revised to comply with latest structural layout. Canopy and signage moved.
D	14-10-2008	Colonnade infilled with entrances to Volunteers & Fundraising offices. Canopy extended to cover length of drop off area. Automated revolving and pass doors added to main entrance. Public space created outside main entrance to incorporate Cafe raised planters and external seating area. Curved canopies added to cover route from external staircase and Public Transport loading area. Climbing plants on stainless steel cable trellis to screen existing lower ground floor parking and plant room. Illuminated fascia mounted signage moved to be centred over main entrance. Accident & Emergency sign replaced.
E	04-03-2009	Elevation updated to reflect development of cafe design.
