Dear Sir/Madam,

RE: 16 ALVANLEY GARDENS, NW6 1JD REF: 2008/5327/P
For the attention of Hannah Parker

Following the withdrawal of our planning application on 08th February 2009 for the above address, I include our re-submission. Thank you very much for your comments included in the e-mail dated 18/02/2009. In response to these comments we have made the following changes to the submission:

- We are no longer changing the roof line from hip to gable, instead using traditional dormers on the side of the existing roof retaining traditional details.
- The only part of the scheme now visible from the street is these dormers reducing the bulk and mass of the proposed design.

These changes are shown in the submitted 2D Drawings as well as outlined in the Design and Access Statement. We have not included a fee due to this being a re-submission. If you have any questions please don't hesitate to ring.

Kind Regards

Gareth Allison
