Camden Council  
Town Hall  
Argyle Street  
WC1H 8ND

Dear Ms Christoferou

Re 61 Judd St.

This is to confirm the following;

I first estimated the works for above address in July 1998  
(see enclosed)

At that time the roof had already been converted to a flat  
roof and the opening over the stairs had already been formed.

It was clearly evident that the opening had already been in  
Place for a considerable number of years (hence the necessity  
To replace roof light which had decayed with a new glass one)

I trust this is some help to you

Feel free to contact me if you have any queries

Yours sincerely

Richard Robertson
