March 20, 2009

Dear Sir,

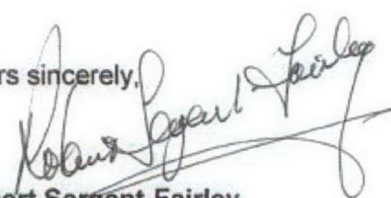

Reference: 31 Denning Road, NW3

Further to our conversation, I would confirm we wish to remove a Conifer tree in the garden of the above property. I have marked the position of the tree on my Scale Drawing.

You will note from this design that we shall be planting this garden with a variety of established shrubs and trees.

We commence the general works on Monday 23rd March and would be most grateful if you would expedite this application.

Yours sincerely,

Robert Sergeant-Fairley
Company Chairman
