**Application for work to a tree protected by a TPO
and
notification of proposed work in the Swiss Cottage Conservation Area**

Dear Mr Hutson

Please find attached the following documents:

- a TPO application/CA works notification for trees at **67 Priory Road London NW6 3NH**
 - Tree works 67, NW6 3NH.pdf
 - 67 Priory Road sketch map.pdf
- a CA works notification for trees at **1 Woodchurch Road London NW6 3PL**
 - Tree works 1, NW6 3PL.pdf
 - 1 Woodchurch Road sketch map.pdf

The applicants are the same people for both, but I have separated the two in the hopes of making your work easier.

It may help you to know that the tree in the back garden of 1 Woodchurch Road is visible from a driveway alongside 6-8 Alcol Road, which I understand to be a council-owned property.

I understand that Mr Ditlev Schwanenflugel, the freeholder of flats 1, 3 and 4 at No. 1 Woodchurch Road (and occupant of flat 1) has written to the applicants to give permission for work on the London Plane marked P2 on the attached sketch maps. I understand that the whole building is managed by Woodchurch Management Company and that other occupants are Ronnie Bond, leaseholder of the garden flat (Flat 1) and Tim Cook (flat 2). I have been unable to obtain a contact telephone number for you.

Please do not hesitate to contact me by telephone (office: 01727 855006; mobile: 07788 652567) or by email at info@thetreebureau.co.uk

Yours
