Dear Sirs,

Re: PROPOSED ALTERATIONS DURING THE COURSE OF CONSTRUCTION TO A SCHEME GRANTED APPROVAL 28 October 2008-11-21 at TO 7 GREVILLE PLACE, LONDON NW6 5JP

I enclose pdf copies of my drawings, number 06.703.01 – 05 (existing) + 06.703.06(proposed) + 0.703.07 Rev A – 12 Rev A (amended proposed) + 06.703.13 (existing) showing the intended alterations to the above property, together with a pdf copy of an O.S. extract; photographs in pdf form; a Design and Access Statement and the completed electronic Planning Application forms. I also confirm payment for £150. 00 made to the London Borough of Camden by VISA card.

Please note that the electronic application form only allows one name to appear as the freeholder. This has been entered as Mrs Vivien Baroukh. However, in this instance the freeholder is the same as on the earlier application i.e. Mrs Meir, Mrs Baroukh and Mr Musry. Both Mrs Meir and Mr Musry are aware of the application and support the objective to apply for a revised planning approval.

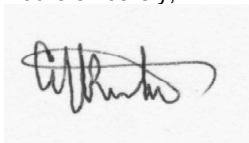

The drawings show the proposed minor alterations to the side extension to allow a more simple and architecturally better solution to the junction of the side extension and the main house.

The application should be read in conjunction with the recently approved scheme for this property – application no 2008/3675/P

Your prompt attention would be greatly appreciated.

Should you require further information from me please telephone 020 8458 4326.

Yours sincerely,

G.J Prentice
