3 APR 1963

Dear Sir,

Re: 2 Fortune Green Road, Hampstead

I refer to your application dated 26 February 1963 for planning permission to erect a single-storey addition and boundary walls at the above address.

I am of the opinion that the proposed works are permitted development under Article 3 of the Town and Country Planning General Development Order, 1955, falling into classes 1 and 2 of the First Schedule thereto, and no further planning permission therefore is required. I propose therefore to take no further action on your application under Town Planning.

I have to inform you that the decision in respect of the London Building Acts and the By-laws in force thereunder will form the subject of a separate communication.

Yours faithfully,

HUBERT BENNETT
