NOTES FOR GUIDANCE

Under the terms of the Regulations the Council will charge for the submission of planning applications from 26 August 1985 for the following classes of proposal:

- (a) Applications for planning permission; (b) Applications for approval of reserved matters required by conditions of outline permission; (c) Applications for consent to display advertisements.

1. THE FOLLOWING TYPES OF APPLICATION ARE EXEMPT FROM FEE PAYING:-

- (a) Applications for Listed Building Consent; (b) Applications for determination under Section 53 of the Town and Country Planning Act 1971; (c) Applications for deemed permission under the Town & Country Planning General Regulations 1976; (d) Applications for approval required by a condition attached to a full planning permission; (e) Applications for Certificates of established use; (f) Applications for work to trees.
- (g) **THE DISABLED:-** Applications for planning permission to alter or extend an existing dwellinghouse or to carry out operations within the curtilage of an existing dwellinghouse are exempt from charge if they are intended to improve access, safety, health or comfort for a disabled person who is living in the house, or proposing to live in the house. The exemption does not apply to the construction of a new dwellinghouse. A disabled person is defined as being one to whom Section 29 of the National Assistance Act 1948 applies. The provision, as amended by the Mental Health Act 1959, applies to persons who are blind, deaf or dumb, and other persons who are substantially and permanently handicapped by illness, injury or congenital deformity, or mentally disordered persons of any description.
- (h) Development which would have been "permitted development" if not for an Article 4 Direction.
- (i) Applications for development where "permitted development rights" have been removed by condition on a previous planning permission
- (j) Revised applications submitted within 12 months of a planning permission or approval of reserved matters, or a refusal or withdrawal prior to determination, provided it is made by same applicant. NB Only the first revised application is exempt.
- (k) Change of Use within a class of the Use Classes Order where permission is required only because of a condition on a planning permission.

2. REDUCTIONS FROM FEE PAYING:-

- (a) Duplicate applications made by the same applicant within 28 days of each other, and relating to the same site and the same development (or the same reserved matter for the same building); the second application shall be charged at 25% of the full fee paid on the first application.
- (b) When applications for approval of reserved matters are submitted in stages, once the total of fees paid has reached the full amount which would have been payable for the whole, had it all been at the same time, all subsequent applications for matters reserved shall be subject to a flat rate of £53.

3. MEASUREMENT:-

The measurement of gross floorspace includes:

the perimeter wall thicknesses and projections; areas occupied by internal walls and partitions; columns, piers, chimney-breasts, stairwells and the like; lift motor rooms, plant rooms, tank rooms, fuel stores whether or not above the main roof level; and upon sided covered areas and enclosed car-parking areas.

The measurement of gross floorspace excludes:

Open balconies, open covered ways or minor canopies, open vehicle parking areas, terraces and the like, domestic outside WCs and coalhouses and areas with a headroom of less than 1.5m.

Party walls are to be measured to their centre line. These conventions are in accordance with the "Code of measuring practice" prepared by the RICS and ISVA.

Where the fee is to be calculated by reference to the area of the site or the building, if the area is not an exact multiple of the unit of measurement, the fraction of a unit remaining after division of the total area by the unit of measurement shall be treated for the purpose of calculating the fee as a complete unit.

0.1 hectare = 1,195.75 sq yds

1 sq metre = 10.764 sq ft

4. MIXED DEVELOPMENTS:-

Where proposals involve residential and non-residential development the fees for each type are to be aggregated. Otherwise, where proposals involve more than one category of development e.g. new buildings plus a new access, then the fee will be based on the highest fee for any one category.

PLEASE NOTE:-

This is a shortened version of the Scale of Fees as laid down by the Act, and set out in the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) Regulations 1985, and the associated Circular 19/85. Where proposed works are not covered by the scale of fees overleaf, please contact the Planning and Communications Department.

There is no provision in the Regulations for a refund of fees previously paid, except in certain circumstances in respect of fees paid to the Secretary of State in connection with appeals involving enforcement notices or established use certificates.
