STATEMENT OF APPLICANTS RIGHTS ARISING FROM REFUSAL OF PLANNING PERMISSION OR GRANT OF PERMISSION SUBJECT TO CONDITIONS.

Appeals to the Secretary of State.

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you may appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990. If you want to appeal then you must do so within six months of the date of this notice, using a form which you can get from the Department of the Environment at Tollgate House, Houlton Street, Bristol BS2 9DJ. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have given planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.
