Dear Sir(s) or Madam,

## TOWN AND COUNTRY PLANNING ACT 1971 Refusal of permission to develop

The Council, in pursuance of its powers under the above-mentioned Act and Orders made hereunder, hereby refuses to permit the development referred to in the undermentioned Schedule as shown on the plans submitted. Your attention is drawn to the Statement of Applicant's Rights set out overleaf.

### SCHEDULE

Date of application: 3rd August 1972

Plans submitted: Reg. No: 14303(R) Your No: 95.100.1

Development:

Erection of four 2-storey houses and thirteen 3-storey houses with integral garages for 12 cars on the site of Apollo Works, Charlton Kings Road, N.W.5.

### Reasons for refusal:

The proposed scheme of redevelopment would involve the loss of a source of local employment which provides work opportunities for residents in an area where there is otherwise little choice. In the Council's opinion, this source of work opportunities should be retained in the area.

Yours faithfully,

Director  
(Duly authorised by the Council  
to sign this document)

All correspondence to be addressed  
to the Director of Planning and  
Communications.

#### **Statement of Applicant's Rights Arising from the Refusal of Planning Permission**

1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission for the proposed development, he may appeal to the Secretary of State, Department of the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971 within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State, Department of the Environment, Whitehall, London, S.W.1). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. (The statutory requirements include Sections 67 and 74 of the Act.)
2. If permission to develop the land is refused whether by the local planning authority or by the Secretary of State, Department of the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state, he may serve on the Common Council, or on the Council of the County Borough, London Borough or County District in which the land is situated, as the case may be, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Act.
3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable is set out in Section 169 of the Act.
