with dimensions and levels of  
service trenches and other excavations  
pursuant to additional condition 02  
of the planning permission*

07 May 1997

*dated 21/3/96*

Dear Mrs. Samuel,

15, Wadham Gardens, NW3.

Re: Planning Consent No. 950 1662 and Conservation area consent No. 956 0196.

Following our telephone conversation last week, I am now writing with all the information required for lifting the conditions to the above consents:

Consent No. 950 1662:

1. The details of the elevation and facing materials have already been approved as a part of a planning consent for the conservatory No. 960 1234 R1.
2. I now enclose the details and calculations of the building foundations as requested.

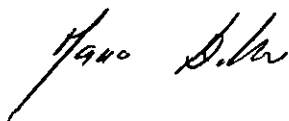

Consent No. 956 0196:

1. The contract to carry out the works forms a part of a major contract to do the work to the existing house, and it has been in progress since April 1996.

I trust that the above information will be sufficient for lifting of all the conditions, but I would be happy to assist further if you have any additional queries.

I should be most grateful if you could give this matter your urgent attention.

Yours sincerely
