Dear Sir(s)/Madam,

Town and Country Planning Act 1971 (as amended)

Refusal of Permission to Develop

The Council, in pursuance of its powers under the above-mentioned Act and Orders made thereunder, hereby refuses to permit the development referred to in the undermentioned schedule as shown on the plans submitted.

Your attention is drawn to the Statement of Applicants Rights set out in Appendix B.

#### SCHEDULE

Date of Original Application : 10th July 1985

Address : 37, Compayne Gardens, NW6.

Proposal : Retention of a hardstanding and means of vehicular access to the highway, as shown on one un-numbered drawing, revised on 29th October 1985.

Reason(s) for Refusal:

- 01 The development has an adverse effect on the appearance of the building and the visual amenity of the area because of the excessive and unnecessary width of the means of access.
- 02 It is considered that the access way of a width as existing has an adverse effect on the safety of pedestrians using the public highway.

Yours faithfully

Director of Planning and Communications (Duly authorised by the Council  
to sign this document)
