20th December 1993

LB Camden
Environment Dept.

Your ref. PL/9201317/R1
Case No. F12/3X/A

For the attention of J Fisher

Dear Sir/Madam,

39 OSPRINGE ROAD NW5

*Submission of details of
plants to be used in planting boxes
pursuant to Condition 01 and
details of planting boxes and gulps
pursuant to Condition 02 of the
planning permission dated 26.10.93.*

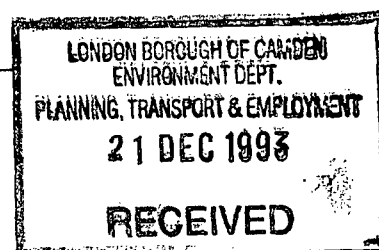

Further to the Council's conditional consent of 26th October,

(i) the drawings showing the retained structure with the revisions agreed are Nos.4,5 & 6. Drawing No.3, which is incorrectly mentioned in the consent, was related to Dwg.1 & 2. All six drawings were submitted on 27th July.

(ii) Your Additional Condition 01: Planting will be
from: Rosemary Chives
Bay Artemisia
Geranium macrorrhizum 'alba' schmidtii
Oregano Silene
Helianthemum Wisley White maritima

(iii) Your Additional Condition 02: Drawings Nos. 7 & 8 are attached for the satisfaction of this condition. There are to be no handrails above the structure beyond the existing staircase balustrading already erected and approved. There will be no need for the handrails since the planting boxes

- 1 -

will be wide enough to serve as a sufficient protection. The boxes will be constructed of cedar of Lebanon. A Sample can be brought in to you if required.

(iv) Your Additional Condition 03 is accepted.

(v) Drawing No. 8 shows the outline of trellis which matches that already erected on the west side of the garden. The height shown is 2 metres from the average of ground level at the front and at the back of the structure.

Yours truly,

Chris Whittaker
Architect
for Mr & Mrs N Blake
