If this certificate cannot be completed - see Note (1) below

NOTES:

(1) "Owner" in this context means any person having a freehold interest or a leasehold interest with an unexpired term of not less than 7 years. If this certificate cannot be completed because the Council is not the sole owner of the land, it will be necessary to serve notices on all other owners of the land. Please request Form TP.1, Part II from the Planning and Communications Department and strike through the certificate on this form.

(2) This form is to be used only where the application is being made by a Chief Officer acting under powers duly delegated to him from the Council. (At present delegated powers exist only for the Town Clerk, Director of Architecture and Director of Housing to submit applications for planning permission in respect of conversion and rehabilitation work to residential properties owned by the Council).

(3) If any work to a listed building is proposed, an application for listed building consent will be required. Please submit also Form CTP.2, obtainable from the Planning and Communications Department.

(JAN.1978)
