Dear Sir

TOWN AND COUNTRY PLANNING ACT : 8 STEELE'S ROAD : LONDON NW3

Further to our Planning Application for a repositioned pavement crossing, dated 5th March 1987, (your ref G9/17/8/JH/SVR), and Mr Hattrell's discussion on site with Miss Hamilton, we enclose a drawing showing our proposed modification.

We trust that you will substitute our original drawing with this one.

Yours faithfully
